

Proposal Criteria

Section 1 – required conditions

- 1 Are the conditions suitable to undertake this PLD at this time (capacity, other commitments, new appointments, community, Parents, Family Whanau or cultural considerations)?
- 2 Does the proposed PLD contribute to raising student achievement in national priority outcome areas?

Section 2 – regional prioritisation

- 3 How well does the proposed PLD match with regional priorities for PLD (including student achievement data and regional observations)?
- 4 To what extent is there any additional evidence to support the further prioritisation of this school/kura/CoL either within or in addition to regional priorities?

Section 3 - proposal inquiry content

- 5 To what extent have the appropriate people contributed to this proposal?
- 6 To what extent is there evidence that a robust process has been used to understand and identify an appropriate focus and actions required?
- 7 How likely are the proposed strategies and shifts to achieve the proposal's student-focussed outcomes?
- 8 To what extent has a range of evidence, consultation and analysis been used to understand what they need to achieve?
- 9 How well does the focus and proposed PLD align with the school/kura/CoL charter/annual plan/strategic direction etc
